*Some of the wonderful, hand crafted,
unique gift items for sale at the Seippel
Center.*

Join the staff and volunteers of the Beaver Dam Area Arts Association - the selection of Nonprofit of the Year for 2018 - as they host their annual Holiday Gift Gallery in their newly updated facilities! They'll have morning coffee and a full breakfast buffet (you can skip breakfast at home!), to help you get the season off to a great start! The galleries of the Seippel Center will be full of gifts, each uniquely handcrafted by artists. This annual expanded version of their gift shop is perfect for Christmas season gift buying. Network with other Chamber members & the staff of BDAAA plus view the items for sale before you get on with your business day. Celebrate the Christmas season with a Chamber holiday Business Before Hours!
