LEADERSHIP BEAVER DAM

Powered By Beaver Dam Chamber of Commerce

Become more knowledgeable, and more effective as parents, employees, employers, citizens, volunteers and neighbors. Become familiar with areas of your community that touch your life.

After going through the program, you will have met dozens of passionate, intelligent and motivated people who impact Beaver Dam. Many LBD Graduates have found these new contacts can be advisors and mentors both professionally and personally. Participants will be involved in community projects during the program. These projects will be designed and decided on by the participants, utilizing the information and skills gained during the program, with a final report taking place at graduation.

LEADERSHIP BEAVER DAM

Powered By Beaver Dam Chamber of Commerce

A leadership experience for individuals ready to grow into engaged community leaders.

Expectations of Participants...

Participants are required to attend all sessions and are urged to discuss their progress and partipcation with their sponsors on a regular basis.

Tuition for the 9-session program is $550, which covers all supplies and meals. Fees may be paid by the participant or a sponsoring organization such as their employer.

Anyone living in the Beaver Dam area is welcome to submit an application; individuals working in, but not living in, Beaver Dam will also be considered.

Leadership Bever Dam candidates represent a cross-section of the business community, government, education, and civic organizations, as well as, individuals with no affiliation, who demonstrate a sincere desire to improve and become involved in the Beaver Dam community.

What's in it for you?

- Well rounded knowledge of Beaver Dam
- Enhanced leadership skills
- Opportunity to meet community leaders
- Knowledge about local issues & resources
- Improved communication skills

Leadership:

Noun.

The ability to lead. The ability to guide, direct or influence people.

What is Leadership Beaver Dam?

This leadership curriculum exposes participants to ideas, issues and people critical to the future of Beaver Dam, Wisconsin, the nation and the world. Through a series of day-long sessions, held once a month from September through May, Participants are taught many of the community's strengths as well as its challenges.

This program will showcase the talents of old and new community leaders from a broad cross-section of industries and offer opportunities to develop talents, refine skills and strengthen participant's commitment to the Beaver Dam community.
